

Welcome to **KIDZONE**

Kidzone is the Sunday School at the Plymouth Christian Centre and is run by Matt and Liz Crudgington. We cater for children up to the end of school Year 6 during every Sunday morning service.

The aim of Kidzone is to love and serve the children of Plymouth and beyond, enabling them to become whole-hearted followers of Christ. We do this through;

1. **Providing a fun, engaging environment**, where children are warmly welcomed, routine is consistent and sessions are well resourced.
2. **Providing good quality teaching**. Our lessons are well-prepared and consistent, we have good team work and division of roles and we also mentor teenagers who help within the zones.
3. **Supporting parents**. We communicate with parents so that they know what is being taught, recommend resources for children and families and provide social opportunities for children and families to get to know each other better and have fun in a church context.

When? After the first couple of songs it will either be announced, or a red strip will come up on the screen to signal that children can go to Kidzone. Please go with them if they are in Yellow or Blue Zone or if it's their first time in Red Zone. Please collect your child at 12.15.

Where?

The Parents' Room, Blue and Yellow Zone are downstairs in the nursery.

The Red Zone meet upstairs in the hall.

Which Zone? Unders 2's; Stay with a parent in the Parent's room. There is a televised link from the service and toddler toys in this room.

2 year olds, Pre-School and Foundation: Blue zone

Year One and Year 2: Yellow Zone

Years three — six: Red Zone

kidzone@plymouthchristiancentre.org

If you decide you'd like to come regularly you will need to register your child. You can find forms on the website, at Connect Corner or with the zone teachers. Please hand in at Connect Corner or to the teacher.

Breakout Week

Once every five weeks we have Breakout week. This is a play based / youth club style week where the children can spend time in a relaxed environment getting to know each other better. We play football, learn guitar, play snooker, table tennis, PlayStation, do crafts
