Internship Information 2025—2026

PLYMOUTH CHRISTIAN CENTRE

At PCC one of our core values is being people-focused and a part of this is realised through investing in and releasing new leaders. The intern programme here at PCC will enable participants to see their current capacity stretched, resulting in growth both spiritually and emotionally while experiencing what is involved in running and leading a busy, vibrant city church. This programme will help interns prepare for, or decide on, future ministry opportunities by showcasing all areas of ministry – both the seen and the unseen. At the end of this internship programme, participants should have a good grasp on all areas of ministry and appreciation of the character, competency and chemistry required for involvement in continued ministry.
